

COVID Winter Tee Time Policy

Effective Wednesday, October 21, the Board has approved the Match Committee recommendation to modify the Winter Tee Time Policy.

The following was recommended by Match Committee and Board approved. The goal is to fairly mitigate the demand on our tee sheet for the winter months amidst the Covid-19 pandemic. These will be reviewed on a regular basis throughout the winter.

- 1) Tee Time intervals will remain at 10 minutes to promote the safety standards that we are accustomed to amidst Covid.
- 2) As of Monday, October 13, we will not have any guest play allowed at the Club until further notice.
- 3) Non-golfing category Members are not permitted to play between November 1 and March 14.
- 4) As of October 12, Members in the **Active category will be permitted to make a maximum of 3 ballot requests or pre-book tee times before the day of.** (Monday to Sunday)
- 5) As of October 13, Members in other golfing categories (i.e., Senior, Intermediate, Non-Res, Junior) will be permitted **to make a maximum of 2 ballot requests or pre-book tee times before the day of.** (Monday to Sunday).
- 6) **NEW – ‘Day of’ bookings** are allowed and will not count against your round total for the week. (phone the Pro Shop or book online ‘day of’ to add yourself to a tee time)
- 7) **NEW - Tee times that are cancelled in advance do not count against your round total. No Show tee times are counted as a round played.**
- 8) As of October 12, full Active Members will have priority in the lottery process (groups with more full Active Members will outweigh groups with other categories of Members).
- 9) **Allow Fivesomes to Book** – The Pro Shop will not pair people into fivesomes automatically, but the tee sheet will allow people to enter 5 names for their requests if they choose. All fivesomes are required to play within four hours. (This is effective immediately)
- 10) The Pro Shop will maximize the tee sheet by joining up singles and twosomes. **Members are permitted to put their name in with other groups if there are open spots (without calling them to confirm).** Members are not permitted to join as a 5th player in a group without the permission of the group.
- 11) As of October 13, Covid Winter Member Category Restrictions will be as follows:
 - a. Seniors – Mon-Thurs anytime | Fridays before 9 or after 2 | Saturday, Sunday and Holidays after 12 pm
 - b. Intermediates (under age 24) – Sunday, Monday & Tuesday after 12 pm | Anytime Wednesday, Thursday, Saturday & Holidays | Friday before 9 or after 2:30 on
 - c. Juniors - allowed after 2 pm
