

Pace of Play

During the first hour of play each day every group is expected to play in 3 hours 45 minutes or less. After the first hour groups are expected to play in 4 hours. Groups that fail to play at this pace and who finish more than 15 minutes behind the group in front of them will be deemed to have a pace of play infraction.

Slow play (within a calendar year)

After each documented slow time, the group involved will receive an email from the Golf Club.
